## OUR FOCUS FOR 2024

- 1 Healthy Eating/Nutrition
- 2 Wellbeing
- 3 Protective Strategies/Safe Behaviours
- 4 Cultural Context

### A little bit of housekeeping

- Please make sure that you sign your child in and out each day as this may affect your child's CCS payment.
- Please make sure you label all children's lunchbox, snacks, and milk bottles.
- Please put spare clothes in your child's bag as we have water play in the warmer weather and in case of accidents.
- Please label all clothes so that they do not get lost and mixed up.
- Please bring a hat and water bottle every day.

## Projected

### 2024 Staffing and Group Structures

Room	Age Group	Educators

## PHILOSOPHY/VISION

We acknowledge the Wardandi people, traditional owners of this Noongar country- past, present and emerging. As a community we accept the privilege to share their knowledge, values and traditions to foster with our future generations, connecting children and families to boodja (land).

At our community-based long day care centre we are committed to providing high quality care and we value the opportunity to work in partnership with families to support the uniqueness of each individual child. We are committed to continuous improvement to ensure the best possible outcomes for all children.

Our educators believe in a holistic and nurturing approach to teaching, with an emphasis on the connectedness of learning through play including inquiry-based learning. This creates opportunities for intentional teaching to promote problem solving skills, decision making and independence.

Our Educators promote a strong sense of wellbeing for our children by providing a safe and healthy environment where they are supported and nurtured through warm, trusting relationships.

We honour the values of Belonging, Being and Becoming, providing opportunities for children to construct their own identities, building resilience and understanding of the world. Our inclusive practices celebrate the culture of diversity within our centre and community.

We promote a strength-based approach to support our learning culture. We value the importance of identifying everyone's strengths and nurture a sense of wellbeing to continually develop each person's potential, resulting in an engaged workforce who respect and enhance professional growth and team values.

As a centre we encourage community contributions to solidify everyone's reciprocal learning and recognise the need to inspire the children's curiosity for discovery through collaborative experiences empowering them to become active citizens for a sustainable future.

## FAMILY EVENTS AND ENGAGEMENT – 2024

We have received feedback from families seeking an increase in family opportunities to participate in parental guidance workshops. This year we are introducing workshops for families and children. We have developed a plan to respond to this feedback.

<b>Parent/Educator Interviews</b>	<b>To provide families with opportunities to meet with Educators for the purpose of discussing individual children's needs and information.</b>
<b>Workshops</b>	<b>Nutrition/ Yoga sessions/ yarn circles/ wellbeing/ child safe skills</b>
<b>Kindy Hub</b>	<b>Make sure that you check our Kindy Hub app for photos and learning stories. Please feel free to use the app to send us photos of family events.</b>

We will seek interest in any of the above areas through survey monkey/kindy hub and email. Please take this opportunity to be involved and let us know if there is anything you would like us to add.
